Staff Information

Staff Attendance

The average attendance rate for staff was 94%.

The attendance rate was calculated as a percentage of the full-time equivalent (FTE) of school staff who were absent through sickness, family (carers) leave, long service leave, etc. Camps and other school activities were excluded from the calculation. All Teaching and Non-Teaching staff were included for this calculation.

Staff Retention

The retention of staff from 2017 to 2018 was 92% for teaching (61 out of 66) and 81% for non-teaching staff (35 out of 43). Staff retention continues to be stable with Thornlie Christian College providing a positive, affirming and supportive working environment for all Staff.

The FTE staffing for Thornlie Christian College was:

	2017	2018	Variation
Primary Teaching Staff	23.50	22.70	-0.80
Secondary Teaching Staff	36.20	33.60	-2.60
Non-Teaching Staff	27.70	24.60	-3.10

This information is derived by comparing information given to the Commonwealth Government as part of our Census requirements in August 2017 and 2018.

Teacher Highest Qualifications

The highest teaching qualifications held by the teaching staff at Thornlie Christian College are:

Qualification	Number of Staff
Masters	4
Bachelor of Education	33
Graduate Diploma of Education	19
Other	10
Total	66

Staff Workforce Gender Ratio

The workforce of Thornlie Christian College consisted of 73% female and 27% male staff.

Staff Professional Development

All teaching staff are required to attend Professional Development (PD) training to fulfil their obligations to the Teachers Registration Board (TRB). During the year, Thornlie Christian College staff received PD on the following topics:

Secondary School PD Topics

- Abilities Expo
- ACC Sporting Meetings
- Auspicing Meetings
- Australian Careers Service
- Bronze Medallion Requalification
- Certificate IV Training
- Consensus Moderation Meetings
- COSAMP Assessment Moderation
- Creating Rich Tasks in Languages
- Curriculum Masterclass: Capabilities
- Daytime (ICT integration in Music)
- Economics Conference
- Education Perfect
- Go Guardian Training
- Gospel in Schools Conference
- HASS Enterprise Day
- HASS Week Conference
- Hospitality Group Training Masterclass
- Inclusive Education Funding Criteria
- iSTEM Project Design
- Labnetwest
- Learning Area Meetings
- Mental Health First Aid
- Moderation Meetings for SCSA Subjects
- Moderation Meetings for Certificate Courses
- NAPLAN Marking
- No Limits
- Networking Meetings in All Subject Areas
- Peer Support
- 'Presence' at VOSE
- Presentation of Research
- Project-based Learning
- Science Education
- SCSA Curriculum Briefing
- SCSA Student Performance Workshops
- SCSA Syllabus Delivery Audit Feedback
- Schools That Deliver: Creating Cultures of Learning
- Secondary School Staff Meetings
- Secondary Students with Diverse Needs
- Senior First Aid
- SEQTA
- Simulating Shock Absorbers
- Sporting Meetings
- St John First Aid
- Strategies for Students Who Stutter
- STEM and STEAM Workshops
- STEM: Coding on Casio Classpad
- Stick With It (Hockey)
- Supporting ASD Students
- Supporting SMD Students
- Tennis for Secondary Schools Workshop
- VET Industry Currency with NMTAFE
- VET Permaculture Training
- VET Update on Curriculum
- WACE Health and Physical Education
- Waste Wise

Primary School PD Topics

- 21st Century Core Skills
- AISWA 'Leading the Team'
- Analysing Assessment Data
- Braille Training
- Curriculum Masterclass: General Capabilities
- Common Assessment Tasks
- English: How Language Works
- First Aid Training
- Flying Start Course, Murdoch University
- Graduate to Proficient
- Inclusive Education Funding
- Introduction to Minecraft Education Edition
- Keeping Safe Child Protection Curriculum
- Mathematics
- Mental Math Data Analysis
- National Quality Standards Early Childhood Leaders Update
- On-Entry Assessment - What's Next?
- Philosophy with Young Children & Literature
- Play Matters - The Importance of Play-based Learning
- Reading Eggspress
- Schools That Deliver: Creating Cultures of Learning
- SEQTA Teach
- Sounds Write - The Dyslexia Speld Foundation
- STEM - Mathematics Teaching: From Good to Great
- STEM - Technology - Design & Technologies (Audit Review)
- Talk for Writing - The Early Years
- Teaching Deaf & Hard of Hearing Students
- Unpacking the AITSL Standards
- Vocab Teaching Strategies
- Walker Learning for Years 3 to 6
- Walker Learning Study Tour
- Writing: Developing a Genre Approach
- Writing: Developing a Functional Language Approach
- Writing: How to Plan a Unit of Work
- Writing: Preparation of a Summative CAT/Rubrics
- Writing Assessments: Moderating a Writing Assessment

Staff also received PD outside of normal work hours which involved attending seminars on evenings and weekends. Also, the Christian Schools Australia (CSA) State Conference, held at the Perth Convention and Exhibition Centre, was mandatory for all Teaching and Non-Teaching Staff Members.

The average number of PD days per staff member was six at a total cost of \$78,668, including payments for relief staff.

Value Added

The following value-adding developments took place at Thornlie Christian College during the year:

Annual Theme

Each year, Thornlie Christian College adopts a new theme to focus our attention on an aspect of our culture we would most like to develop. The theme for 2018 was “Unity”.

All of our themes are cumulative in the sense that they do not ‘drop-off’ at the end of a year. Instead, they are added cumulatively to the collection of previous annual themes. Each theme reflects the different aspects of our College’s culture that has evolved over the years. All of the past and present themes are on display in the Multi-Purpose Hall as a constant reminder to our Community of what we aspire to at TCC.

Student Life and Learning

We place significant emphasis on encouraging students to identify their unique, God-given talents and then to develop them to the best of their ability. The College Core Value of “Striving for Excellence” is defined as, “every student using their God-given talents to the best of their ability.”

Leadership

Thornlie Christian College offers many and varied opportunities for the development of leadership skills across both the Primary and Secondary Schools. We see leadership as a component of successful living and recognise that leadership does not necessarily require a badge or title to legitimise it. We are all called to be leaders within our diverse spheres of influence. To this end we endeavour to use every opportunity to contextualise student learning experiences in the context of leading. So, for example, assemblies are in most cases run by students. Our students have a myriad of opportunities to develop their public speaking and performing skills; our lessons are designed to strengthen our students’ collaborative and creative skills, both important in the sphere of leadership.

Character Development

Historically, our College had a *Discipline Policy* that governed our expectations of student behaviour. About a decade ago we morphed this into a *Behaviour Management Policy*. Over the past six years this, too, has undergone a metamorphosis, into what we now call our *Character Development Policy*. I’m sure that you can see the progression in these three policies - from Discipline which was largely extrinsic in nature, via Behaviour Management, to Character Development which is far more intrinsic in nature.

Our Character Development Programme seeks to assist every student to ‘own’ and self-regulate their behaviour. To know what is right, to know what is wrong and, to take courageous decisions to do the right thing. We therefore focus on the realities of ‘Choice and Consequence’. Instead of an action simply earning a penalty (extrinsic motivation) we create opportunities for rich conversations through which we encourage our students to reflect on their choices from a Christian perspective and to align their conduct accordingly.

Consequences are a reality of life so we try to make consequences relevant and fair. It is our aim to create a culture in which our students learn to honour God in all that they do and therefore respond to life in a manner that is ‘good before God.’

Academic

Thornlie Christian College received a letter of commendation from the CEO of ACARA recognising us for, “...*having demonstrated substantially above average gain in reading and numeracy achievement as measured by NAPLAN.*” We are extremely proud of this achievement because we *do not* teach to NAPLAN - our teachers teach well across the curriculum and, as a result, our NAPLAN achievements are well above average.

E-Learning & Technology

The College’s Google Chrome-based E-learning programme continues to develop in scope. Our philosophy of “Using the best tool to achieve the best outcome” ensures that technology is only used when it will add value to the learning process and that our students continue to receive instruction that includes more traditional approaches when appropriate.

The College has embraced the SEQTA platform as a ‘one-stop-shop’ for everything from effective communication with students and parents to providing access to learning programmes and live updates on academic assessments, reports and pastoral care issues.

Co-curricular & Extracurricular Activities

All students at Thornlie Christian College have attended a variety of excursions and incursions that have added value to the learning process. Apart from a wide variety of excursions and incursions the students attend the following camps and activity days in a continuum of personal development:

We have a comprehensive Camp Programme that begins in Year 3 when our students enjoy an Activity Evening on campus. This is followed by our Year 4 students who participate in a Sleepover and Outdoor Activities on campus. In Year 5 our students attend a 3 night camp in Rockingham and our Year 6 students’ end their Primary School years with an interstate tour to Sydney and Canberra for a week.

Our Year 7’s begin their Secondary School journey with two days of challenging and team work activities at Manjedal Activity Center and another at the College where we focus on creating a sense of ‘esprit de corps’ - a sense of pride in, and commitment to, the wellbeing and success of their year group. We hope that this will endure and grow throughout their Secondary School journey, defining their group as unique, supportive, collaborative and purpose-filled.

In Year 8 our students travel to Albany for a week-long educational camp at Camp Quaranup where we combine challenging outdoor activities with academic pursuits.

In Year 9 our students attend an exciting Team-building Day at Woodman Point and in Year 10 they attend an Adventure Camp at Wellington Dam near Collie where survival activities test their endurance, leadership and problem-solving abilities.

Our Year 11’s and 12’s don’t attend a camp because they need to be fully focused on their studies but we end Year 12 with an extremely popular Retreat in Dunsborough as a positive alternative to ‘Schoolies Week’.

Performing Arts

The College’s specialist music teachers in both the Primary and Secondary Schools continue to add value to our broader curriculum with established, outstanding Choirs in the Junior Primary, Senior Primary and Secondary Schools respectively.

Our Arts Department hosts a very popular and successful Musical Evening every year, a feast of entertainment where our students were able to showcase their musical and dance talents to the community.

Our Prefects host our ever-popular ‘TCC’s Got Talent’ show with students showcasing their Drama, Dance, Musical, Singing and Poetic skills on stage, before a live audience.

In Term 1 our Arts students attended a weekend camp at which the various performing arts collaborate on developing their skills.

Sport

The Secondary School is progressing well in the ACC (Associated & Catholic Colleges) competition which is far larger and would, once again, offer our College appropriate levels of competition. We promoted to G-league where the College's Inter-School Swimming, Athletics and Cross-country Teams all came in the top 3 in their respective carnivals in 2018.

The College's parent-managed soccer club, Southern Force Football Club, continued to grow from strength to strength in 2018 and our Basketball and Netball Clubs also continue to grow and flourish.

Staffing

Our Teachers are equipped to provide Individual Education Programmes (IEP's) to students requiring support or extension in the learning areas. We cater for those students falling into the 'Talented and Gifted' range while our Learning Support Centres in both Primary and Secondary Schools assist our students who require additional educational support.

Campus Development

The College Grounds Staff have continued to improve our grounds. as we prepare for our next major building programme which will involve the provision of additional Science Laboratories in the Secondary School and new classrooms in the Primary School

Staff Conditions of Service

Thornlie Christian College continues to remain competitive in the employment market. The Board has continued to work to ensure that Thornlie Christian College salary structure is competitive within the current market by benchmarking our unique salary structures against those of the Catholic Education Office.

Parent Satisfaction Survey

Question: "Overall, I am satisfied with the education TCC provides for my child/children."

Rating	Percentage
Strongly Agree	44.10%
Agree	43.40%
Neutral	9.00%
Disagree	0.70%
Strongly Disagree	2.80%

Primary School

2018 was a year of consolidation in the Primary School. We previously introduced a number of new programs and initiatives to help students both in the classroom and to develop as a person. These programs have proved very effective, and we can see the changes in the character development of the children plus in student learning. The National School Improvement plan focus for this year was domain #5 'An Expert Teaching Team' – *The College has found ways to build a school-wide, professional team of highly able teachers, including teachers who take an active leadership role beyond the classroom.*

As a staff, our emphasis this year was on building '*an expert teaching team*'. This was reinforced in meetings such as PS Staff Meetings, Curriculum Focus Meetings, and the Cluster Meetings. During our staff meetings, we sit together with our peer teachers and we talk together, pray together, plan together, share together, etc. One of the highest effect-sizes according to the research conducted by John Hattie is ***teachers working together as evaluators of their impact (upon student learning)***. We try to accommodate this as much as possible, so that the effectiveness of what happens in class is maximised.

During the Curriculum Focus Meetings, we looked in detail at English: Writing in Term 1 & 2, STEM: Maths in Term 3, and STEM: Design & Technologies in Term 4. Miss Williams & Mrs Flipse, the Curriculum Coordinators, facilitated the Curriculum Focus Meetings throughout the year, so that we continue to improve the effectiveness of what we do across all year levels in the Primary School.

Specialist Programs

An important part of a child's overall development. These subjects represent Key Learning Areas such as Technology, Health and Fitness, Languages, and the Arts (Music). We have dedicated staff who are a great asset to our College team.

- Information Technology - Matt Splatt
- Physical Education - Angus Southwood
- Languages other than English (LOTE, Bahasa Indonesian) - Raj Pitts
- Music - Priscilla Chiew

Student Development Program

The Student Development Program continues to be a significant part of the Primary School each year. We have the CARE Program for Years 1 and 2, the ESTEEM Program for Years 3 & 4, and the EPIC Program for Years 5 & 6. In 2018, for the CARE Program, the Years 1 & 2 Classes hosted a Farmer's Market Day where they raised \$2,700 for the drought victims in NSW. It was such a wonderful idea that involved the students writing stories, then publishing their books to raise money during the Farmer's Market Day.

The Year 3 classes enjoyed an 'Outdoor Bush Activity' afternoon. The Year 4 classes enjoyed a sleepover at Thornlie Christian College including outdoor camping activities like 'Capture the Flag', 'Spot Light', camp cooking, etc. The Year 5 classes spent a week at Point Peron Adventure Camp in Rockingham. The Year 6 classes travelled to Canberra and Sydney on an educational tour.

We have the following student leadership roles in the Primary School:

- Prefects - 4 students (2 boys & 2 girls)
- House Captains - 8 students (Boy & Girl for each House)
- Service Monitors - 9 students (9 different Service team Monitors)

These roles give the year 6 students the opportunity to gain experience in leadership positions and to develop their service skills.

Education Development Program

The Education Development Program provides specialized academic programs for students who require education support in literacy and numeracy, special needs students, as well as our talented and gifted students who were involved in the XL Program. We are committed to ensuring that students are supported at whatever level they may be working. Lindley Thompson and the Ed Support Team are doing a great job helping students progress in their literacy and numeracy skills, and Allison Williams has been leading the XL Program as part of our Extension Programme.

Secondary School

In 2018 we had 92.98% of our Year 12's Achieve a WACE

Western Australian Certificate of Education (WACE)

In 2018 we had 92.98% of our Year 12's Achieve a WACE

Fifty Seven students were eligible to apply for the WACE and fifty three of them were successful in receiving this certificate. Fifty six students were awarded the College Certificate of Graduation. Five of our students received scholarships to attend a University. Two students were awarded a John Curtin Undergraduate Scholarship for Excellence and one student was awarded a Principal's Choice Scholarship to study at UWA. Two of our students achieved a Certificate of Excellence, awarded for achieving between 190 and 200 points over year 11 and 12. Eight students received a Certificate of Merit for receiving between 150-189 points over year 11 & 12 course units.

University Entrance

Of the Fifty Seven students in Year 12, 29 achieved an ATAR score (studied 4 or more courses) and applied to go to University. Another fourteen applied for University to study the 'Uni-Ready' Enabling Course or the OnTrack programme. Therefore Forty One applied for a Public University entrance and Forty were offered a place. 34 received their first preference and 6 their second preference. Six students applied for the University of Notre Dame and six were offered a place. 14 students applied to go to TAFE, Bible College, and Apprenticeships or join the workforce. All of those who did not receive a University offer and had applied to go to TAFE were offered a place - thus a 100% TAFE entrance outcome.

Teaching Staff in the Secondary School provide free tutoring in every subject for students. Languages Students (Bahasa Indonesian) are able to select Indonesian to Year 12 if they wish to. The Arts and Technologies Programmes are taught under the supervision of our specialists. Our students are performing and achieving to a high standard in Drama, Dance, Visual Art, Music and Media. Our Technology students are studying Design and Technology, Materials and Design, and Certificate Courses II or III in Information Technology, Creative Industries Media and Media, Music, Applied Fashion and Hospitality. All of these subjects have gained in popularity and our students have achieved excellent outcomes in 2018. Students in Year Seven and Eight complete Interest Subjects in all of the Arts and the Technologies. In Year Nine and Ten students choose electives which lead into the SCSA courses in Year 11 and 12.

Sport

On the sporting front Thornlie Christian College won the Inter-school Athletics, Cross-country and Swimming Carnivals as part of the Associated Catholic College competitions along with team accolades for Cricket, Soccer, Basketball, Badminton, Netball, Volleyball, Squash and Triathlon.

Other Sports Covered

- AFL
- Archery
- Athletics
- Ballroom Dancing
- Basketball
- Bounce Fit
- Catamaran Sailing
- Cheerleading
- Cricket
- Cross Country
- Dragon Boats
- Fitness Training (External Gym)
- Go! Frisbee
- Hockey
- Kayaking
- Lacrosse
- Lifesaving
- Netball
- Sailing
- Self Defence
- Soccer
- Squash
- Swimming
- Tennis
- Touch Rugby
- Volleyball
- Wakeboarding
- Zumba

Student Leadership

Student leadership opportunities in the Secondary School consists of 72 students in formal roles

Role	Number of Students
Prefects	14
Chairpersons and Committees (Includes Prefects)	14
House and Vice House Captains	9
Leavers Jacket Committee	4
Student Council	56
Heads of the Student Council	2
Choir Leaders	1
Sound Team	4
Senior Status	56

Prefect Chairperson Portfolios

Head Boy and Head Girl

- Oversee all that is happening in relation to the Prefects
- Lead and Run Assemblies
- Chair and Run Prefect Meetings.

Entertainment and Functions

- Organise the College Senior Ball
- Middle School Dance evening
- Senior School River Cruise
- Primary School Fun Day

Fundraising

- Organise fundraising events for
 - Secondary School
 - Primary School
- Organise and run 'THORNLIE CHRISTIAN COLLEGE Has Talent' show

Publications

- Plan and publish the News- in-Views magazine
- Plan and publish Journal of Radical Minds (student magazine)
- Plan and publish Year 12 Memoirs.

Social Concerns and Environment

- Organises related events and workshops involving environmental and social issues. Examples include:
 - Clean Up TCC day (in conjunction with Clean up Australia Day)
 - Harmony Day
 - Earth Hour

Sports Captains

Organises and assists with the planning of all carnivals and lunchtime and after-school sporting activities.

Worship

Plans and organises events relating to the Spiritual life at the College.

Each committee has a Staff Liaison assisting and training them in their Chairperson roles.

Mentoring and Peer Support Programmes

- Year 11 students are involved in a Buddy Programme with our Year 6 Primary students.
- Year 12 Students are involved in a Mentoring/Buddy/Peer Support Programme with the Year 7 students.
- Year 12 Prefects run a weekly Empower Programme for girls and an Ignite Programme for boys.

Extracurricular and Co-Curricular Programmes

College Worship Band

The College Worship Band is involved in the Worship of the College and in Chapel Services.

Hospitality Students in Year 10, 11 and 12

Run a weekly Cafe, Il Modo, where they prepare and serve staff with coffee and delicious home baked muffins in the morning and a sit-down, three course meal from a selected menu at lunchtime.

These students also cater for, and waiter at, special College events such as the Valedictory Dinner and Open Day.

Sport

We offer afternoon and early morning training sessions for those students who wish to excel in swimming, athletics and cross-country. Our Cheerleading squad is also growing and competed in the Western Australia Starz Championships and received Second Place in the Schools Section.

Study Cafe

We run a weekly programme offering students the opportunity of a safe, quiet environment in which to do homework or study and be able to seek extra assistance from the supervising staff. As there is a capacity of forty students, the Study Cafe is very popular and often over-subscribed.

College Music Programmes

The College Choir, College Bands (JAZZ, FUNK and ROCK) are offered to all students from Year 7 to Year 12. Individual tuition is offered to all students in Piano/Keyboard, Violin, Drums, Voice, Ukulele. Lunchtime concerts are held from time to time to celebrate our students' musical talents.

College Drama

We offer all students from Year 7 to Year 12 the opportunity to participate in the following productions: A whole College production, a Year 10 production and a Middle School production.

Chess Club

Our chess club is open to all students in the Secondary School.

SPROUTS

Our new environmental and gardening club.

Extension Programmes

Science

Designing and building Synergy Solar Panel Cars

English and HASS

Our students are involved in producing a Middle School magazine called BUZZ.

Mathematics

Our students compete in the Mathematics Olympiad and various other competitions throughout the year.

Applied Fashion/Textiles

Our students compete in the Apex Australian Teenage Fashion and Arts Competition (AATFA) Nine Year 11 and 12 students entered the competition and Eight students reached the Grand Final of the competition. As part of our commitment to Serving Others, our students design and manufacture garments for children that are distributed locally and internationally to Missions.

Hospitality

Cooking and Serving at College and Special Events.

Media

Our students film, edit and produce records of our College events. The Year 12's produce and run a documentary programme called "Switch" based on Social Issues of the College. A programme is produced each Term.

Outdoor Learning Programmes

Perfect Retreat

All day Workshop for the Year 12 Leaders of the College.

Year 7 and 9

Personal Development and Team Building days

Year 8 Camp

A one week long camp held at Camp Quaranup in Albany.

Year 10 Three Day Outdoor Adventure Camp

Camping outdoors at Wellington Dam, Collie.

Year 12 Leavers Retreat

A camp held in Dunsborough which offers our Year 12's a wholesome alternative to 'Schoolies Week'.

Student Council Workshop

Run by our Prefects for all Student Councillors

Music Camp

A weekend for all Music, Dance, Band and Worship students.

Professional Development Staff

This has been aimed at developing the skills of staff in their respective subject areas, ensuring compliance with legislation and preparing and building unity of purpose among the staff in their ministry at Thornlie Christian College.

Staff at Thornlie Christian College have continued to attend relevant Professional Learning opportunities in their respective subject areas. Additionally, the Year 11 and 12 teachers have attended a number of Moderation and Consensus Meetings relating to their subjects in the Senior years. All teachers teaching the General subjects in Year 12 have had their Course Outlines audited by the School Curriculum and Standards Authority. (SCSA)

Ongoing assessment and modification of the curriculum continues, the focus being to ensure that we empower students to think critically, behave safely, and participate responsibly in the digital world.

Staff Leadership Responsibilities in the Secondary School

Position	Role
Deputy Principal	Oversee K-12 Curriculum
Head of Secondary	Oversee all areas of the Secondary School
Middle School Year Coordinators	Three staff Year 7,8,9
Learning Area Coordinators	English, Mathematics, Science, HASS, Health and Physical Education, Workplace Learning, Learning Support and E-Learning
Teachers in Charge	Individual Staff for the respective Arts and Technologies subjects.
Staff Liaisons for Prefect Committees/Sound/Choir/Drama	Fifteen staff are involved in the training of the Chairpersons of the Committees

Learning Support

Support is given to students who need additional help with their learning. This can be with specialised Learning Support teachers assisting in the classrooms or students being withdrawn from the mainstream class to attend the Enrichment Centre.

Staff Tutoring

All College staff offer their time to tutor students in their subject or course areas. Tutoring sessions are held during lunch-times or after school.

Staff Year 12 Mentoring

All Year 12 students are mentored throughout their final year by a Year 12 staff member.

Developmental Activities

WeVideo

WeVideo was evaluated and a decision was made to provide this online video editing software to all our students using a Chromebook.

Providing access to video editing tools compatible with Chromebooks allows our students to demonstrate their learning in a multimedia format. Some of the features include voice-over narration, green screen, picture in picture effect, screencasting, special effects, and speed control. These features enable students to be creative and provides them with the ability to present their learning in an exciting format. Templates also provide students with a platform to get started on projects such as book talks, science reports and news items. With WeVideo students are able to work collaboratively on projects and have a safe place to search and access graphics, audio tracks, sound effects, and music clips.

Security Cameras

During 2018 the security cameras of the College received a large upgrade with the existing eight Mobotix cameras replaced and the addition of a further forty cameras. The whole system was migrated to a more cost-effective system that is managed from installation to operation by the College IT Department.

The modernized system, with proper security controls, is now viewable from remote with web access and mobile app availability.

Alarm System

In 2018 the alarm system was simplified and management of it handed to the IT Department. This has resulted in a large reduction of false alarms and after-hours calls and a corresponding decrease in frustration for management, staff and the neighbours of the College.

Phone System Update

The College phone system was migrated to being hosted with the College's Internet Service Provider, Broadband Solutions. This has provided a stable phone system for the College as the previous supplier while being a fraction cheaper, did not provide any service level guarantees.

Since moving to the new supplier, there have been no outages of note and the consolidation of services allowed the College to leverage the increased buying power to lower the costs of Broadband provision.

Server Refresh

In January 2018, the College completed the replacement of the servers running the network infrastructure. The increased capacity and renewed warranty ensure continuity of services.

A cost-benefit analysis of hybrid-cloud vs public cloud solutions prior to implementation was undertaken which determined that a hybrid private and public cloud still offers the lowest overall cost and highest performance for the College.

Income Sources

Source	Amount (AUD)
Commonwealth PCG	\$5,932,190
Tuition Fees	\$4,118,161
State PCG	\$2,218,718
